

WHAT IS SCALING UP NUTRITION (SUN) MOVEMENT ?

SUN is a unique movement established in 2010, founded on the principle that all people have a right to food and good nutrition. It has inspired a new way of working collaboratively to end malnutrition, in all its forms. With the governments of SUN countries in the lead, it unites people from civil society, the United Nations, donors, businesses and researchers in a collective effort to improve nutrition.

SRI LANKA JOINED SUN MOVEMENT IN YEAR 2012

63 countries are leading a global movement to end malnutrition in all its forms

SUN CIVIL SOCIETY NETWORK

The SUN civil society network (SUN CSN) is made up of national and international organisations working in various fields/multiple sectors, including women's empowerment, humanitarian-aid, trade unions, farmers, human rights defenders, advocacy and research entities, consumer groups and many others.

SUN CSN encourages the formation of vibrant civil society alliances, with such alliances existing in 49 SUN countries. The primary purpose of the SUN CSN is to support the formation and effective and efficient operation of strong, credible and influential national Civil Society Alliances (CSAs) for the long-term.

SCALING UP NUTRITION CIVIL SOCIETY ALLIANCE OF SRI LANKA

The Scaling Up Nutrition Civil Society Alliance (SUN CSA) of Sri Lanka is made up of representatives from national/international non-governmental organizations, civil society organizations at local level, professional organizations and individuals who are actively engaged in scaling up nutrition interventions in the country.

SUN CSA of Sri Lanka was established in the year 2014. It's registered and Independent organization (GL 2301 The companies act, No. 7 of 2007).

The purpose of SUN CSA is to create an effective, strong, and vibrant well-coordinated civil society network that promotes and contributes to sustainable improvement in the nutritional status of the population.

Vision

Working together to end hunger and malnutrition in all its forms so that within lifetime, every mother, child and family can realize their full potential and right to adequate nutritious food

Mission

To ensure high quality, tailored efforts to scale up nutrition and reach both national and global targets

Aim

To initiate and sustain a multi-sector coalition of civil society organizations to advocate, monitor and contribute to the country's nutrition interventions both at national and district levels.

THE STRATEGIC OBJECTIVES

1. Stakeholders are mobilized to hold the responsible parties accountable for the implementation of nutrition – related policies and plans.
2. Stakeholders are capacitated on nutrition policies and practices, through appropriate learning processes.
3. The multi-stakeholder platform and CSOs are engaged in enabling nutrition interventions to reach communities in a multi sector approach.
4. The governance and sustainability of SUN CSA is strengthened.
